## CONSUMER & MARKET

# INSIGHTS

### CONSUMER

- **5 in 10** consumers report **using candles for relaxation** and the industry has responded with labeling and scents that reference spa tones
- **76% of men** report they **use candles** in the home, giving room for more masculine scents
- **9 in 10 women** aged 18-34 use candles in the home, **primarily for fragrance and ambiance**
- **Overall reasons for consumer purchase**
  - 56% to mask odor
  - 55% ambiance
  - 48% to relax

### MARKET

- As in most industries, there are a few key fillers but the **branding / marketing is highly fragmented** as retailers look for differentiation
- There are a couple **iconic jar shapes** that many marketers use as a base for their creative scents and labeling
- **Fragrance items outside of candles** (sprays, plug-ins, diffusers, wax melts) have been the biggest **competition** to candles, and enthusiasts will engage in various fragrance options
- Scents move from **sweet to earthy**, including savory and spicy scents
- Candles fill the want for **value-priced decorative products** and are an inexpensive way to add an accent to any room in the home
