Sparkle | Hydration Bottle 2 Go

Staying hydrated is the key to a healthy lifestyle and the Royal Leerdam Hydration bottle to go leaves you with no excuse not to!

The twist-off lid is fully leak-proof and is easy to fill and sip from.

The sleeve offers better grip and prevents the bottle from breaking when dropped and is available in 4 different colors with an on-trend design. Thanks to the borosilicate glass the bottle is durable, light-weight and heat-resistant.

It is the sustainable and hygienic choice in comparison to plastic bottles.

The Hydration Bottle 2 Go will be delivered in a cut-off box/6, giving you the opportunity to present the bottle with or without the box. The guidelines & usage tips are presented on the tag in English, Spanish, German and French.

Finesse | Experts' collection

The Expert's collection is a range of products especially designed to offer the ultimate wine drinking experience by enhancing the flavor and aromas of different grape varieties. With carafe Femme, the wine interacts with oxygen in a controlled manner to keep the wine's aromas compact and fresh. Carafe Homme allows powerful, spicy and complex wines to interact optimally with oxygen to release all aromas, which enhances the flavor. The complementary Roc stone base fits both carafes and it will keep the wine either cool or warm.

Finesse | Experts' collection

The Expert's collection consists of 5 individual wine glasses, each of which was designed to enhance the taste experience of a specific type of wine. The characteristic glass designs were made in co-operation with Barbara Verbeek, a renowned Dutch vinologist. The smoothly tapered design with laser-cut rim intensifies the taste of the wine, is pleasant to the eye and it just ensures the ultimate drinking comfort.

Must Haves | Tumbler collection

The roots of Royal Leerdam brand are strongly connected to the city of Leerdam where stemware is being produced for over 250 years now. Our Portuguese production plant has an equally strong heritage in pressed and blown tumblers and joining forces resulted in the Royal Leerdam Tumbler Collection. We are proud to share this distinctive collection of tumbler with the market.

Tumbler Collection | Astro

Astro features an always on-trend modern design with its contemporary arcades. This range is suitable for many drinks and stands out in any table setting. The iconic design allows consumers to nest the glass resulting in easy and efficient storage in their kitchen.

Tumbler Collection | Rayo

For urban consumers with little storage space, a stackable tumbler is just what they need. As urbanization is a worldwide trend, the demand for stackable tumblers is increasing. The stacking ring of Rayo makes this range easy to stack & store. It has a clean design with rippled embossing similar to rays of sunlight.

Must Haves | Slim & Cool

To stay healthy, one should hydrate and drink at least 1 liter of (tap)water every day. Everyone knows, but how do you manage? This new 1 liter bottle design is here to remind you. Together with the matching hi-ball and dof, they make a perfect set to stimulate drinking water. Active consumers will love to have this novelty at home.

Must Haves | Starla

In line with the still lasting vintage trend, designs from the past are the newest kid on the block. The same goes for our Starla design, which design originates back all the way to 1927, but is surprisingly new and refined these days. Also the smaller capacities from the past are a perfect match for the health conscious millennial of today, who indicates to prefer smaller capacity glassware to limit daily intake.
